

# Accessing data for the iMedConsent Supporting Informed Consent (SIC) Indicator

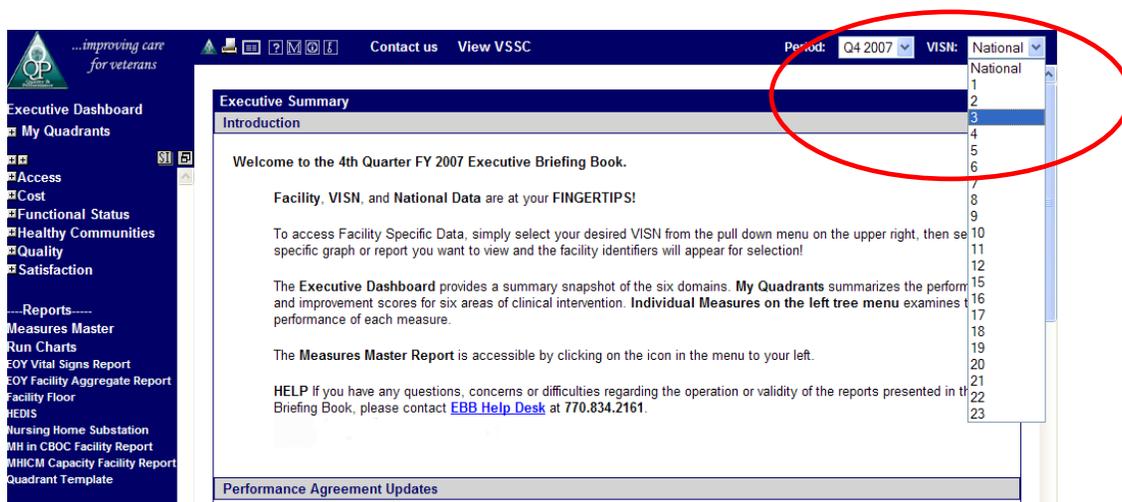

1. Navigate to: <http://vaww.pdw.med.va.gov/pdwframe.asp>
2. Select the “SI” button as shown below:

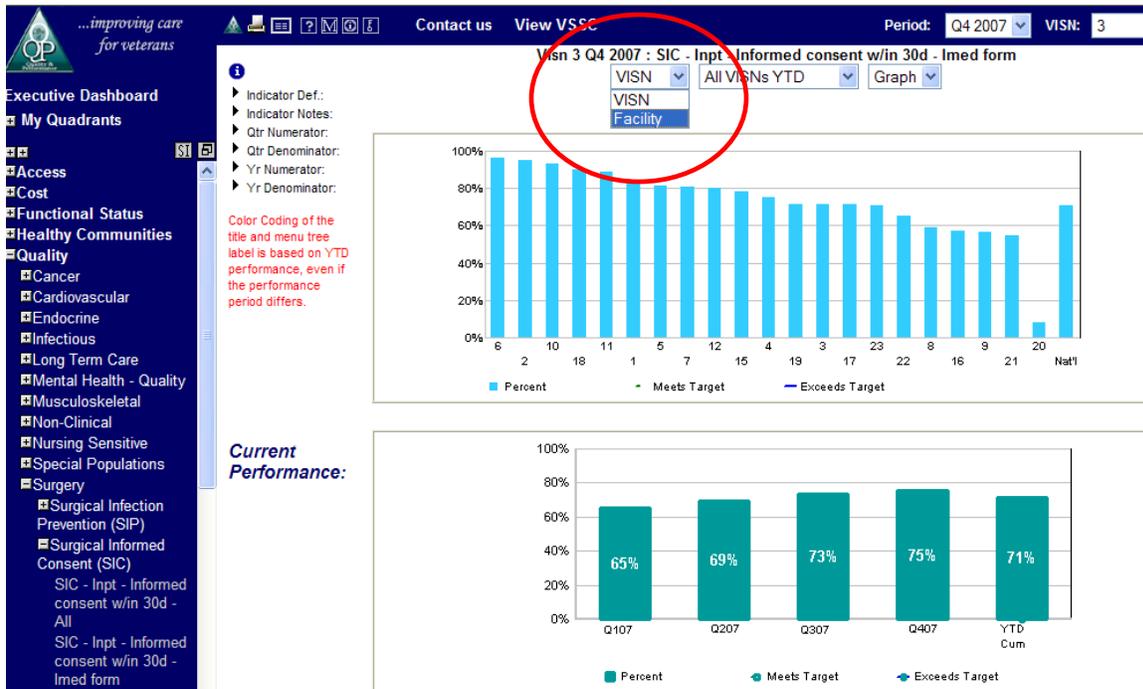

3. Click “OK” when you see the popup stating that “Supporting Indicators are now visible.”
4. On the left-hand navigation bar, scroll down to Quality > Surgery > Surgical Informed Consent (SIC). NOTE: It’s easier to collapse the folders by clicking the “+” boxes next to the categories so that you wind up with a screen that looks like this:

5. Select the second item: “SIC – Inpt – Informed Consent w/in 30d – Imed form
6. Click “OK” When you get the popup screen.
7. Select your VISN and the reporting period you would like to review in the upper right-hand corner of the screen:

- REPEAT steps 2-6 above to generate the graphs. From this screen, you can select "Facility" as shown below:

- Then you will see the cumulative data for the facilities in your VISN:
